

The TPIEF Head Office Is Moving

Our head (Tottori) office will be moving to the Kenritsu Shougai Gakushuu Center (Kenmin Fureai Kaikan) in April.

Since 1996 the TPIEF Head Office has been pleased to serve you from the International Center inside Tottori Airport. In accordance with changes in the structure of the airport building, however, this office will close and reopen in a different location in April.

The new location inside Fureai Kaikan is close to Tottori Station and its bus terminals, making it much more accessible even for the car-free. This also puts it in easy reach of the station south branch of the Tottori City Office, Sazanka Kaikan, and the Labour Bureau office.

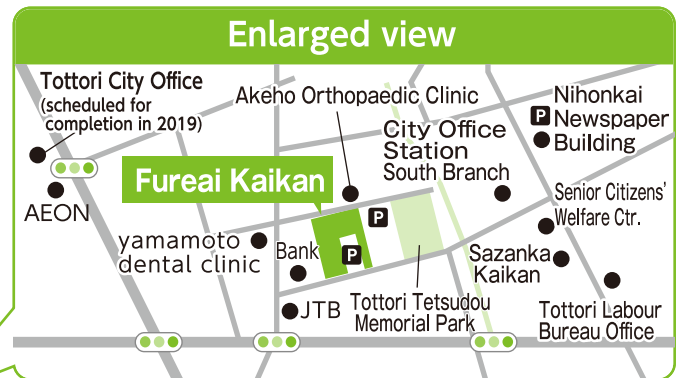

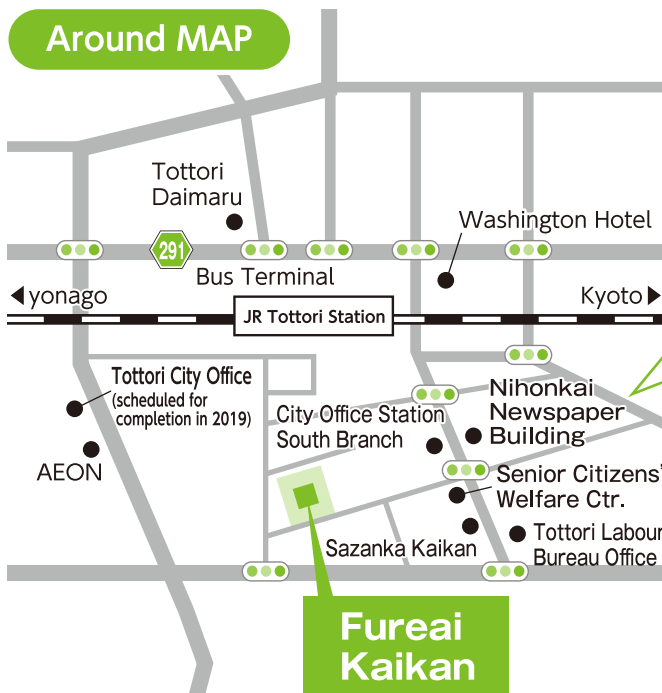

The new Head Office will include a separate consultation room where you can discuss matters privately with our staff. A new system is also available through our web site by which we offer consultation in 11 different languages. In addition, our library lending system (scheduled to begin in summer of 2018) will be connected to other library databases so that we can direct you to one of the other libraries if you're looking for something we don't have (primarily Japanese study materials).

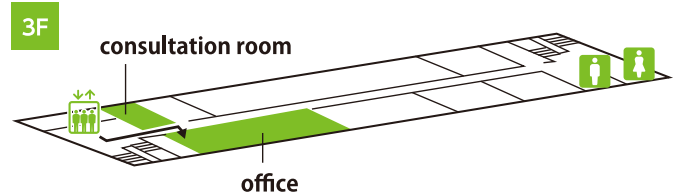

Our new address:

3F Kenmin Fureai Kaikan, 21 Ogi-machi, Tottori City 680-0846
TEL: 0857-51-1165 FAX: 0857-51-1175

※Please note our new telephone number.
